By car

Coming from motorway A 2 – exit „Bad Eilsen“

- Use exit „Bad Eilsen“ and drive in the direction of Rinteln
- Follow B 238 in direction of Detmold/Paderborn.
- Exit B 238 and follow in direction of Paderborn/Barntrup.
- You will reach the town Barntrup after approx. 30 minutes.
- In Barntrup, turn left at the traffic lights crossing in direction of Hameln/Paderborn.
- You will reach the B 1 (T-crossing) after approx. 2km, turn right there in direction of Paderborn.
- Follow the B 1 through the town Blomberg.
- Caution: In the roundabout, follow the B 1 in direction of Paderborn.
- After leaving Blomberg, turn left on the B 252 in direction of Steinheim.
- You will reach Steinheim after approx. 6km. Turn right after the stationary speed trap on the right-hand side.
- After approx. 700m, turn left on the first road to Steinheim. Follow Wöbbeler Strasse passing two roundabouts. There is a petrol station on the left-hand side. The driveway to the Chemical Check building is situated on the same side after the petrol station, shortly before a traffic lights crossing. You can find the car park just in front of the building.

Coming from motorway A 33 – exit „Paderborn-Elsen“

- Use exit „Paderborn-Elsen“ and follow B 1 in direction of Hameln/Bad Lippspringe.
- Pass Bad Lippspringe and Kohlstädt – after approx. 25-30 km you are on the level of the town Horn.
- Follow the exit on the left-hand side to „Steinheim/Vahlhausen/Bellenberg/Billerbeck/Horn/Detmold/Industriegebiet“ – turn left there.
- After approx. 50 m turn instantly right in direction of Bellenberg
- After 1 km turn left in direction of Steinheim.
- After approx. 1 km turn right in direction of Steinheim / Vahlhausen.

- Follow the road through Vahlhausen und Billerbeck.
Approx. 2 km after Billerbeck turn right to Steinheim in direction of Industrial park „Billerbecker Straße“.
- Follow Billerbecker Straße straight through the roundabout, passing the OPEL retailer.
- At the traffic lights crossing, turn left on Wöbbeler Strasse.
- The driveway to the Chemical Check building is situated 30m further on the right-hand side. You can find the car park just in front of the building.
